

QUALITATIVE INQUIRY PATHWAY

TMP 2010	Introduction to Travel and Tourism (GACO)
Total Credits	15-16

Overview

The *Qualitative Inquiry* Pathway focuses on the skills of qualitative research, analytical interpretation, and presentations of human meaning.

Much of human social life entails sensory and subjective experiences that defy quantification yet still require systematic study. *Qualitative Inquiry* teaches students to observe, interpret and convey the lived meanings embedded in people, texts, places, and objects. Through the courses in this Pathway, students are trained to make meaning visible across generations in service of a more reflective public.

Majors restrict Pathway Certificates to encourage a breadth of skills-development beyond their program. A Qualitative Inquiry Pathway Certificate may be earned within a major **as a second certificate** for students in the following majors:

Communication and Media Studies (BA)
Elementary Education and Youth Development (BS)
History and Social Studies Education (BS)
