GEOGRAPHY & ENV PLANNING (GE)

GE 5150 Topics in Geography (3)
A methodological study of selected topics such as the geography of tourism, landforms, education, economic activity and geographic information systems.

GE 5910 Independent Study in Geography (1-3)
Provides students with the opportunity to round out their background in the social sciences through reading and research, supplementing previous course work in the field. A research paper, periodic conferences and an oral examination may be required. Consent of a faculty supervisor and department chair is required.
