HERITAGE STUDIES (HS)

HS 5200  World Heritage Studies (3)
In this course the European origins and international conventions of the world heritage movement are examined. Several international sites are studied in depth through slides and discussion. Sites in the United States are also considered as are issues of natural versus cultural sites and cultural resource management. Two field trips are required.

HS 5560  Special Topics in Heritage Studies (1-4)
An in-depth study of a particular topic, contemporary issue or concern. Taught by a specialist within the field being studied or as an alternative methodology. Since topics may vary, the course may be repeated with permission of the instructor.

HS 5620  Archaeological Field Methods: Prehistory (2-9)
Depending on the investigative circumstances, provides an opportunity to acquire field experience—survey, mapping, excavation, material analysis—at land or underwater sites from either the prehistoric or historical periods. Summer and Winter only.

HS 5630  Archaeological Field Methods: Historical (2-9)
Depending on the investigative circumstances, provides an opportunity to acquire field experience—survey, mapping, excavation, material analysis—at land or underwater sites from either the prehistoric or historical periods.

HS 5640  Archaeological Field Methods: Nautical (2-9)
Depending on the investigative circumstances, provides an opportunity to acquire field experience—survey, mapping, excavation, material analysis—at land or underwater sites from either the prehistoric or historical periods. Summer and Winterim only. Continuing Education only.

HS 5710  Internship in Heritage Studies (1-4)
Advanced students and teachers in Heritage Studies with at least 15 graduate credits can start their internship placement. Individual placement with an organization/institution must be arranged through the director of Heritage Studies the term before starting work. The type of work will be determined by the interest of the individual and the needs of the organization. Creation of outreach programs, field trips, tours, displays, exhibits, workshops, theme interpretations or research utilizing resources of the organization/institution to educate the public on any topic in Heritage Studies. 
Prerequisite(s): 15 graduate credits or more in Heritage Studies.

HS 5910  Independent Study (1-3)
Provides students with the opportunity to round out their background in the social sciences through reading and research, supplementing previous course work in the field. A research paper, periodic conferences and an oral examination may be required. Consent of a faculty supervisor and department chair is required.
