MUSIC (MU)

MU 5560  Special Topics in Music (1-3)
An in-depth study of a specialized topic pertaining to contemporary
issues and methodologies. The course will be taught by a specialist or a
series of specialists within the area under study. Since topics will vary, the
course may be repeated.

MU 5910  Independent Study (1-3)
Advanced work in a specialized area selected and pursued in
consultation with a faculty advisor. Consent of a faculty supervisor
department chair is required.
