The Certificate of Advanced Graduate Studies (CAGS) in Arts, Leadership, and Learning is a 33-credit program that addresses the needs of practicing educators and administrators who have completed a master's degree and are interested in pursuing advanced academic work in arts, leadership, and learning. The program is a natural extension of the work being done at PSU in arts integration and serves to address current national trends and legislation toward the integration of the arts as an integral part of the core curriculum.

Typical students in this program are classroom teachers, arts educators in visual art, music, theatre, or dance, or arts administrators who wish to pursue coursework beyond the master's in a supportive and engaging program of study.
