

SHANGHAI AMERICAN SCHOOL PARTNERSHIP

Program Coordinator: Patricia Lindberg, PhD
E-mail: plindber@plymouth.edu

Individuals teaching at Shanghai American School (SAS) in Shanghai, China, may take advantage of professional development completed during their work at SAS in combination with PSU courses to earn a Master of Education (MEd) in Curriculum and Instruction. Twice a year, Plymouth State University professors travel to Shanghai to provide face-to-face courses and advising to graduate students. The balance of the courses required for the MEd are facilitated by SAS personnel to provide a seamless integration of theory and practice while working in the SAS environment.

Degree Requirements Curriculum Requirements
