EDUCATION (EDDI)

EDDI 1999  Education (1-20 Credits)

EDDI 2100  Transformation Through the Arts (3 Credits)
The arts are an essential component of daily life, impacting all cultures and societies with their transformational qualities. Students explore their creative process and enhance their imaginations and tolerance for ambiguity. Through a variety of art forms, students develop their confidence and ability to express themselves creatively and critically, as they investigate the power of visual art, music, theatre, and dance to transform their thinking and their lives.
