SO 2080 Crime and Criminals (4 Credits)
A scientific study of crime and its control, including types of crime, patterns of criminal offending and victimization, and theories of crime and delinquency. Falls, Early Springs, Springs, Summers. Also offered as CJ 2080.

SO 2225 Foundations of Sociology (4 Credits)
Theories and methods of Sociology are applied to the analysis of such issues as social class, race, gender, religion and politics. Not open to students who have earned credit for SO 2220. Falls and Springs. (DICO)

SO 2405 White Collar Crime (4 Credits)
An examination of definitions of white collar crime, of the impact such crime has on society and of societal responses to white collar crime. May be taken as CJ 2405. Not open to students who have earned credit for SO 2400. Springs.

SO 3030 Social Psychology (3 Credits)
See PS 3030 for course description. Falls and Springs.

SO 3040 Disaster, Crisis, and Chaos (4 Credits)
Disasters are social events that reflect the inner workings of our communities, our governments, and our lives. Who recovers from a disaster and who suffers the most is determined by social, economic, political, and cultural forces. Uses an applied, project-based approach to explore these “human dimensions” of disaster, with special focus on conflict, social vulnerability, environmental justice, and risk. Spring of even years.

SO 3065 Social Problems (4 Credits)
A sociological investigation of problems that originate in human social interaction and have an undesirable impact on social life. Focuses on problems of poverty, ethnic relations, crime, inequality and alienation, and studies ways of coping with these problems. Not open to students who have earned credit for CO 3060. Springs.

SO 3075 The Sociology of the Family (4 Credits)
Focuses on the social forces shaping the changing dynamics of contemporary family. Studies theoretical and conceptual frameworks. Addresses at length specific issues and problems such as abortion, single parenting, childcare and domestic violence. Not open to students who have earned credit for SO 3070. Falls.

SO 3085 Juvenile Delinquency (4 Credits)
See CJ 3085 for course description. Not open to students who have previously earned credits for SO 3080.

SO 3090 Criminology (3 Credits)
See CJ 3090 for course description. Falls and Springs.

SO 3130 Wealth and Poverty (4 Credits)
Combining principles and concepts from anthropology and sociology, examines the cultural and social forces that affect economic behavior, outcomes, and inequality in the United States and around the world. Selected topics include: causes and consequences of class and status differences within societies, social mobility, and how class interacts with race and gender. Not open to students who have earned credit for AN 3520 and SO 3450. Fall of even years. Also offered as AN 3130.

SO 3185 Sociology of Deviance (4 Credits)
The sociology of deviance involves the study of differences between people. What differences matter to people? Why do some people choose to be different? Why do people react to difference the way they do? And how does societal reaction affect those who are different? These are some of the fundamental questions that are addressed. Not open to students who have earned credit for SO 3180. Falls. (DICO)

SO 3215 Topics in Sociology (4 Credits)
Examines specialized areas in sociology which are not covered in regularly scheduled courses.

SO 3270 Explaining Crime (4 Credits)
An in-depth examination of theories of crime, including evaluation of varying theoretical perspectives and applications to criminal justice policy. Falls, Early Springs, Springs, Summers. Also offered as CJ 3270. Prerequisite(s): CJ 2080 or SO 2080.

SO 3355 Sociology of Popular Culture (4 Credits)
Examines the effects of popular culture on society and of society on popular culture; how does the popular culture industry work; and what makes a given artifact ‘popular’? Not open to students who have earned credit for SO 3350. Fall of even years.

SO 3375 Sociology of Race and Ethnicity (4 Credits)
Examines the dynamics that produce and maintain structured social inequality based on minority status and the social consequences of such inequality. Topics include the nature and definition of race, the origins of prejudice, theories of discrimination, immigration, present-day problems and trends. Not open to students who have earned credit for SO 3370. Fall of odd years. (DICO)

SO 3385 Drugs and Society (4 Credits)
Examines the role psychoactive substances have played in religions and cultures in world history and the history and politics of drug control today and in the past. Not open to students who have earned credit for SO 3380. Springs. (INCO) Prerequisite(s): Junior status.

SO 3395 Environment and Society (4 Credits)
A study of the relationships between social organization, culture and the environment. Current environmental problems and policy issues are debated, and their connections with society and culture are a focus. The meanings of nature and wilderness are also discussed. Other topics include: environmental justice, the history and workings of the environmental movement, greenwashing, public attitudes towards the environment and the idea of sustainability. Not open to students who have earned credit in SO 3390. Springs. (INCO) Prerequisite(s): Junior status.

SO 3405 Human Dimensions of Natural Resource Management (4 Credits)
Throughout the world, natural resources such as forests, parks, wilderness areas, public lands, and water resources reflect the values of the people who create, use, manage, and support them. As a result, these dynamic socio-biological systems evolve and change in response to human needs, societal values, and political forces. Helps students articulate and evaluate these forces, and understand how managers and agencies address them in the contexts of ecosystem and park management, community sustainability, and tourism. Includes a strong international and cross-cultural component, with examples from each of the continents. Not open to students who have earned credit for SO 3400. Falls. (INCO)
SO 3505  Illness, Wellness, and Healing  (4 Credits)
Concepts of illness, wellness, and healing reflect the societies and cultures in which they are found. Compares ways in which a variety of Western (e.g., France, Germany, United States) and non-Western (South American, African) societies and cultures think about and institutionalize health and illness. Selected topics include: changing health and nutritional status from human prehistory to the present, social and cultural definitions of health and illness, ritual healing practices, ethnomedicine, the relationships of social organization and stratification to health and illness; and the social and personal construction of medical knowledge. Not open to students who have earned credit for SO 3500. Falls and Springs. (WECO) (INCO)
Prerequisite(s): (AN 2100 or AN 2210) or (SO 2220 or SO 2225).

SO 3605  Sustainability in Practice  (4 Credits)
Sustainability is challenging to put into practice professionally. Students help make PSU and their own lives "greener" by learning about sustainability on campuses and beyond by identifying a campus sustainability topic; analyzing the issue; learning how to conduct social science research about the issue; using findings to address the issue. Not open to students who have earned credit for SO 3600. Falls. (WECO)

SO 4415  Methods of Social Research  (4 Credits)
See AN 4415 for course description. Falls of even years. (TECO)
Prerequisite(s): MA 2300 or SS 3705 or SW 3705.

SO 4605  Seminar: Theory, Practice, and Careers  (4 Credits)
Capstone course for majors; provides an overview of anthropological and sociological methodology and theory and their application to careers. Heavily emphasizes research and the practical applications of anthropology and sociology. Spring of odd years. Prerequisite(s) to: (AN 4400 or SO 4400) or (AN 4410 or SO 4410) or (AN 4415 or SO 4415) and Junior or Senior standing as a major. (WRCO)

SO 4610  Internship  (1-12 Credits)
Students engage in work programs and thereby apply knowledge gained from major and minor courses, areas, or concentrations. Qualifications to be an intern are determined by the Department Chair and a faculty member who acts as a supervising professor. Once placed, student interns have both an immediate supervisor and a supervising professor. With permission.

SO 4910  Independent Study  (1-3 Credits)
Provides a more intense background in some aspect of sociology through reading and research, supplementing previous courses or broadening the student's knowledge in some subject area not presently covered by SO courses. Consent required of the instructor who will supervise the independent study and the Department Chair.
