

CRIMINAL JUSTICE (BS)

Justice and Security

The Department of Criminal Justice at Plymouth State University aims to serve students interested in a variety of careers spanning law enforcement, investigations, court administration, corrections, juvenile services, loss prevention, as well as graduate or law school. Consistent with the general mission of Plymouth State University, the department seeks to produce well-rounded graduates who are equipped to both continue their education and enter the work force. In addition, the department serves the surrounding community, not only by producing high quality graduates well prepared to enter their field, but also by partnering with local and regional agencies to provide academic and research support.

Students in the BS in criminal justice program focus on career preparation. The program includes a heavy emphasis on the criminal justice system itself, and how the branches of the system operate together and independently. Students develop skills in a variety of areas including, but not limited to, problem solving techniques, communication skills, data analysis skills, and technical writing skills, along with an appreciation for ethical and professional behavior in the field. Upon completion of the program, students will be well prepared for a variety of criminal justice careers. Students will also have developed an independent sense of self, with a tolerance toward others and the ability to work in diverse cultures.

Recommended Course Sequence

Check all course descriptions for prerequisites before planning course schedule. Course sequence is suggested but not required.

To complete the bachelor's degree in 4 years, you must successfully complete a minimum of 15 credits each semester or have a plan to make up credits over the course of the 4 years. For example, if you take 14 credits one semester, you need to take 16 credits in another semester. Credits completed must count toward your program requirements (major, option, minor, certificate, general education or free electives).
