

SPORTS MANAGEMENT (BS)

Innovation and Entrepreneurship

The Bachelor of Science in Sports Management is a dynamic program bridging the disciplines of Business and Health and Human Performance at Plymouth State University. Students engage in courses that prepare them for management careers in recreation, high school, college, and professional level sports. Courses in coaching, marketing, events, and sales help students further explore career choices and options.

The “career ready” focus combined with the “hands-on” classroom experiences support the constant application of classroom theory to practice. Sports Management majors at Plymouth State complete an internship experience. *All baccalaureate business degree programs offered are nationally accredited by the Association of Collegiate Business Schools and Programs (ACBSP).*

Recommended Course Sequence

Check all course descriptions for prerequisites before planning course schedule. Course sequence is suggested but not required.

To complete the bachelor's degree in 4 years, you must successfully complete a minimum of 15 credits each semester or have a plan to make up credits over the course of the 4 years. For example, if you take 14 credits one semester, you need to take 16 credits in another semester. Credits completed must count toward your program requirements (major, option, minor, certificate, general education or free electives).
