

INFORMATION TECHNOLOGY MINOR

Arts and Technologies

The minor in Information Technology is focused on information systems. A minimum of two courses in the minor must be taken at Plymouth State University, with at least one of them at the 3000/4000 level. Students intending to take the minor should consult with a Computer Science faculty advisor to determine which courses best suit their needs.

Please see complete information on all of the requirements (<https://coursecatalog.plymouth.edu/undergraduate-programs/minors/>) to earn a minor at Plymouth State University.
